MAINPHON	Text	25	TELEPHONE NUMBER Main telephone number of the institution.
ENROLL	Number		ENROLLMENT The total institutional enrollment for institutions offering both graduate and undergraduate degrees, or the undergraduate enrollment for institutions offering only undergraduate degrees. Enrollment represents the actual number of matriculated full-time and part-time students.
TUIT_FEE	Number		TUITION AND FEES Whole dollars. Since tuition and fees may vary according a number of factors, the column COSTTYPE indicates the factor used to present the single figure for tuition and fees. Where costs vary depending on student home residence, the value represents the cost to the most local resident for which the school makes a distinction. All values are official figures for the 2007–2008 academic year.
COSTTYPE	Number		COST TYPE The value indicates which Tuition and Fee condition was met first: <ol style="list-style-type: none"> 1. Comprehensive--For institutions reporting only one lump sum comprehensive fee, the sum of full-time tuition, mandatory fees, and room and board for an academic year. 2. All Student--The full-time tuition and mandatory fees for all students for an academic year (in most cases reported by private institutions). 3. Area Resident--The full-time tuition and mandatory fees for area resident students for an academic year (in most cases reported by public community colleges and city colleges and universities). 4. State Resident--The full-time tuition and mandatory fees for state resident students for an academic year (in most cases reported by public state colleges and universities).
RM_BD	Number		ROOM AND BOARD Room and board (or room only) expense for college-owned or -operated undergraduate housing. All values presented are official figures for the 2007–2008 academic year.

CURRENCY	Text	3	CURRENCY CODE The currency used in tuition and room and board figures. Currency codes conform to the ISO_4217 standard.
